How does Invoice Express work?

- Invoice Express is a way to submit an invoice over a touch tone phone.
- Several days of processing time are saved when you use Invoice Express.
- For each line of your invoice, use your telephone number pad to report units served.
- You must mail in your invoice to lower your rate. Invoice Express does not allow rate changes by telephone.
- The information you enter goes into the main computer in Olympia the day your call is completed.
- You can enter your invoice by telephone at any time.
- Do not worry about having your invoice returned because of errors. You can correct errors on the spot.
- Once your claimed services have been put into SSPS either by mail or telephone, Invoice Express will not let you enter an invoice a second time.

What should I do with my paper invoice?

- Fill out your invoice before you call Invoice Express. Use it to help you report the units served.
- Do not mail in your invoice. Keep it for your records.

Invoice Express

The fast, easy way to submit your SSPS invoice for payment!
Use your invoice to report services by telephone

1. Your first question to answer when calling Invoice Express is whether your invoice is Regular or Supplemental. The answer to that question is found here.

2. You will be asked to use the numbers on your telephone to enter the first 3 digits and then the 6 digits after the letter and dash of your Invoice Number.

3. To make sure no other person can get to your invoice by telephone, you will be asked to enter the payee number shown in this gray shaded box.

4. Invoice Express will read the last 4 digits of your reference number, so that you will know which line you are on.

5. The lines will be read to you starting with 0001, until you have entered the number of units you have served or a 0 on all service lines.

6. Invoice Express will read to you the type of service unit. In the case of months (MON), you will be able to report either a full month or a partial month by reporting the number of days served (DA).

7. When you are asked to enter the units, use the numbers on your telephone number pad.

These are the bolded boxes on your invoice.
