

Housing Matters to Everyone

HAVE YOU EVER HAD BAD RENTERS?
HIGH TURNOVER? LATE PAYMENTS?
IT CAN BE A STRUGGLE TO FIND GOOD RENTERS
WHO COMMUNICATE WELL WITH THEIR LANDLORDS

We have the tenants you are looking for

Partner with the Department of Social and Health Services' Developmental Disabilities Administration
to find housing for people with developmental disabilities

We are expanding our community-based supported living programs in your area. We are looking for landlord partners to join us in supporting people with disabilities to successfully rent in the community. Our program offers support to people with developmental disabilities to:

- Ensure rent is paid on time;
- Meet peoples' daily support needs;
- Support people who are interested in long-term housing;
- Help people maintain a clean living environment;
- Maintain and care for the property.

Good tenants and a rewarding partnership
