

Washington State Incentive Grant

Community Project Description

Community Project: Southeast Seattle Prevention Project
Lead Agency: Seattle Public Schools

Abstract

The Southeast Seattle Community will be targeted for this \$150,000 per year, three-year substance abuse prevention State Incentive Grant. This richly diverse area of Seattle will focus on reducing the substance abuse risk factors, such as lack of commitment to school and school failure. Three elementary and one middle school will participate in this prevention project.
