Summary

Updated clarifying information to remove reference to Children’s Administration (CA) due to no longer being an agency under DSHS as they transitioned to DCYF.
See below for edited text:

g. Information known to the department:

Information considered known to the department doesn't need verification to affect a household's benefits. The "department" is any agency under the Department of Social and Health Services including:

- Division of Child Support (DCS);
- Aging and Long Term Support Administration (AL TSA);
- Behavioral Health Administration (BHA);
- ~~Children's Administration (CA);~~
- Developmental Disabilities Administration (DDA); and
- Rehabilitation Administration.

It also includes programs within ESA.
