**WSR 25-12-119**

**Agency:** Department of Social and Health Services, Economic Services Administration

**Subject of possible rule making:** The department is planning to amend WAC 388-482-0005, "How does being a student of higher education affect my eligibility for the Washington basic food program?" and other related rules as may be required.

**Statutes authorizing the agency to adopt rules on this subject:** RCW 43.20A.760, 74.04.500, 74.04.510, 74.08A.120

**Reasons why rules on this subject may be needed and what they might accomplish:** Planned amendments are necessary to align rules with 7 CFR 273.5(b) which clarifies a single parent who is a full-time student and is responsible for the care of their natural, step, or adopted child aged eleven years or younger qualifies for one of the exemptions necessary to be eligible for food assistance. It also removes language regarding the temporary expansion of student eligibility for food assistance during the Public Health Emergency which ended May 11, 2023. If applicable, these amendments will make additional changes required to improve clarity, update policy, or better align rule language with state and federal law or regulations.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:** The United States Department of Agriculture, Food, and Nutrition Service (FNS).

**Process for developing new rule (check all that apply):**
