**Agency:** Department of Social and Health Services – Home and Community Living Administration - HCS

**Subject of possible rule making:** The Department of Social and Health Services (department) is considering creation of WAC chapter 388-106H - Health Related Social Needs (HRSN) and other related rules as required. These rules are related to Health Related Social Needs services specified in Section 15.7 of the Special Terms and Conditions or the Washington State Section 1115 Medicaid Demonstration waiver. During the course of this rule making, other related rules may be amended as necessary. This may include additional changes required to improve clarity or update policy.

**Statutes authorizing the agency to adopt rules on this subject:** RCW 74.08.090, 74.08.283, 74.09.520, 74.39A.009

**Reasons why rules on this subject may be needed and what they might accomplish:** The reasons for these rules is that portions of the available services through Washington State Section 1115 Medicaid Demonstration Waiver HRSN services are not currently in WAC and making these services available would benefit individuals with the outlined health related social needs in our state.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:** Health Care Authority (HCA) – A portion of the rules are to be made in consultation with HCA staff to remove potential duplication in rulemaking.

**Process for developing new rule (check all that apply):**

- ☐ Negotiated rule making
- ☐ Pilot rule making
- ☐ Agency study
- ☒ Other (describe) Collaborative Rulemaking. DSHS welcomes the public to take part in developing the rules.

Anyone interested should contact the staff person identified below. At a later date, DSHS will file a proposal within the Office of the Code Reviser with a notice of proposed rulemaking. A copy of the proposal will be sent to everyone on the mailing list and to anyone who requests a copy.

**Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:**
