Purpose of the proposal and its anticipated effects, including any changes in existing rules: The proposed update of WAC 388-78A-2371, Investigations, corrects language that was brought to the agency's attention by stakeholders after the permanent rule was filed on December 31, 2019. The proposed update of WAC 388-78A-2360, Adult day services, corrects a cross reference.

Reasons supporting proposal: This proposal is in response to stakeholder requests. WAC 388-78A-2371 was adopted on December 31, 2019. However, public review after the comment period ended noted a concern in the language that must be corrected. Without correction, WAC 388-78A-2371 may have moderate negative impact to stakeholders and the department. WAC 388-78A-2360 must also be amended to correct a cross-reference to WAC 388-78A-2371.

Statutory authority for adoption: RCW 18.20.090

If the proposed rule is **not exempt**, does it impose more-than-minor costs (as defined by RCW 19.85.020(2)) on businesses?

No Briefly summarize the agency's analysis showing how costs were calculated. The department analyzed the probable benefits and probable costs of the proposed rules and determined they will impose no new costs on small businesses as the proposed changes reduce the regulatory burden on Assisted Living Facilities.

Yes Calculations show the rule proposal likely imposes more-than-minor cost to businesses, and a small business economic impact statement is required. Insert statement here:
