 Suspended: None

Other authority: State of Washington 2015-17 biennial operating budget (ESSB 6052 207).

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding:

RCW 80.36.470 prohibits enrollment in the Washington Telephone Assistance Program (WTAP) if program expenditures exceed the total amount of funds made available by the legislature. The department is repealing the above rules because the WTAP program is not funded in the State of Washington 2015-2017 biennium Legislative Budget (ESSB 6052 207).
