CR-103E (July 2011)
(Implements RCW 34.05.350)

Agency: Department of Social and Health Services, Aging and Long-Term Support Administration

Emergency Rule Only

Effective date of rule:

Emergency Rules

- Immediately upon filing.
- Later (specify) _____

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes
 - No
- If Yes, explain:

Purpose: Cancel & supersede the existing CR-103E filed as WSR 16-17-013 with this new CR-103E that corrects two rates that were incorrect. The daily Medicaid payment rates are changing per collective bargaining and the FY17 state budget. The department is amending WAC 388-105-0005 "The daily medicaid payment rates for clients assessed using the comprehensive assessment reporting evaluation (CARE) tool and that reside in adult family homes (AFH) and assisted living facilities contracted to provide assisted living (AL), adult residential care (ARC), and enhanced adult residential care (EARC) services" to update the rate table included in WAC 388-105-0005.

Citation of existing rules affected by this order:

Repealed: None
 Amended: WAC 388-105-0005
 Suspended: None

Statutory authority for adoption: RCW 74.39A.030(3)(a)

Other authority:

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: This WAC includes a rate table that was updated per Legislative budget decisions. The permanent rule change is in process. The filing of this emergency rule is necessary due to the timing of the start of the fiscal year.
