Purpose:

The department is amending WAC 388-845-1610 "Where can respite care be provided?" and WAC 388-845-1615 "Who are qualified providers of respite care?" to remove references to overnight planned respite services. Overnight planned respite services are found in chapter 388-829R WAC "Overnight Planned Respite Services" and are provided in addition to respite services a client may receive under a waiver. This amendment corrects changes to these sections made under WSR 16-17-003 filed on August 4, 2016.

Citation of existing rules affected by this order:

Repealed: None
 Amended: WAC 388-845-1610, WAC 388-845-1615
 Suspended: None

Statutory authority for adoption:

RCW 71A.12.030, RCW 71A.12.120

Other authority:

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding:

The department is amending WAC 388-845-1610 and WAC 388-845-1615 to correct earlier amendments filed as WSR 16-17-003 on August 4, 2016. These updates are needed to remove references to overnight planned respite services because they are not part of a home and community based services waiver. Overnight planned respite services are covered in chapter 388-829R WAC and are in addition to respite services a client may receive under a waiver.
