Purpose: The department is amending WAC 388-845-1410 "Are there limits to the prevocational services you may receive?" to eliminate prevocational services by March 1, 2019.

 Repealed: None
 Amended: WAC 388-845-1410
 Suspended: None

Statutory authority for adoption: RCW 71A.12.030, RCW 71A.12.120

Other authority: 42 C.F.R. Section 441.301(c)(4)

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Prevocational services do not meet federal integration requirements under 42 C.F.R. Section 441.301(c)(4) for HCBS settings. In response, the Department's HCBS Statewide Transition Plan, as approved by the Centers for Medicare and Medicaid Services (CMS), ended enrollment in prevocational services by September 1, 2015. Additionally, the approved plan aimed to transition all remaining prevocational clients to other services within four years. The Developmental Disabilities Administration (DDA) must enact this mass change on an emergency basis to comply with the CMS-approved waiver amendments that eliminate prevocational services on the Basic Plus and Core waivers by March 1, 2019. If this amendment is not enacted on an emergency basis, the Department risks losing federal funding. Enacting this amendment on an emergency basis also enables DDA to send timely due-process notices with an appropriate WAC citation.
