Purpose: The department is adopting WAC 388-437-0015, "Good cause extension of Social Security number (SSN) requirement for basic food applicants during COVID-19," to comply with approval from the US Department of Agriculture (USDA) Food and Nutrition Service (FNS) and extend the amount of time an applicant or recipient can provide their SSN during the COVID-19 pandemic. The department is also amending WAC 388-476-0005, "Social Security number requirements," to better align rule language with federal regulations governing the Supplemental Nutrition Assistance Program (SNAP).

The department filed a CR-101 Preproposal Statement of Inquiry for WAC 388-437-0015 as WSR 21-03-009 on January 8, 2021, a CR-101 Preproposal Statement of Inquiry for WAC 388-476-0005 as WSR 20-22-079 on November 3, 2020, and a CR-102 Proposed Rule Making as WSR 21-10-055 on April 29, 2021, as part of the permanent rulemaking process.

- New: WAC 388-437-0015
- Repealed: None

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Under current federal law, all applicants and recipients must have a valid social security number (SSN) to receive Basic Food benefits. For those who do not yet have an SSN, they are given the month of application and the month following to provide this information. In addition, they may be extended on a month-by-month basis upon continued showing of good cause. Due to the conditions of the COVID-19 pandemic, FNS approved a waiver allowing the good cause period to be extended to the month of application plus four additional months. This filing aligns rule with this waiver approval, which supports access to Basic Food benefits.
