Purpose: Due to the ongoing national and state emergency relating to COVID-19, the United States Postal Service (USPS) made temporary changes to its certified mail signature gathering procedures to limit direct contact with recipients. This emergency WAC clarifies that these temporary procedures employed by USPS are acceptable for purposes of certified mail service. DCS has filed a CR-101 and is currently working with internal and external stakeholders on permanent rulemaking on this subject. On July 16, 2021, USPS issued updated guidance to its employees that unvaccinated mail carriers should still wear masks and maintain social distancing. Additionally, on July 27, 2021, the Centers for Disease Control and Prevention issued new guidance encouraging vaccinated people to wear masks and maintain social distancing even indoors in settings of high risk. As a result of these recent updates, special COVID-19 delivery practices for certified mail will likely continue.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: United Postal Service certified mail delivery procedures have already been changed. This has had an immediate effect on our ability to serve notices by certified mail. This emergency rule will ensure child support enforcement actions can continue, providing crucial financial resources to clients. Additional and more recent guidance from USPS and CDC in July 2021 means mail carriers will continue to exercise these special delivery practices. The department is proceeding with permanent adoption, filed the CR 101 under WSR 20-09-148, has been working on proposed language, and plans to file a CR 102 proposal shortly.

(b) The postal service employee signs the receipt on behalf of the individual taking delivery as required by current postal service restricted delivery procedures.
