Agency: Department of Social and Health Services (department) Aging and Long-Term Support Administration

Effective date of rule:

Emergency Rules

- Immediately upon filing.
- Later (specify) July 8, 2022

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes
 - No
- If Yes, explain:

Purpose: The department is extending the amendment of the rule listed below to assure Certified Community Residential Services and Supports (CCRSS) providers are not significantly impeded from providing services and support to clients during the COVID-19 pandemic. Governor Inslee's proclamation 20-18 and subsequent extensions identified that the pandemic has resulted in disruptions of long-term care systems, including the ability to safely conduct inspections. The governor's proclamations included the suspension of licensing inspections for all long-term care settings with the exception of CCRSS settings. Current rule states the department may conduct an on-site certification evaluation for each service provider at any time, but at least once every two years. The amendment lengthens the amount of time to complete certification evaluations that are currently suspended for consistency and safety across all programs regulated by the department. The amendment will allow the department additional time to complete certification evaluations when it is safe and practical to do so. In addition, under the rule development phase of rule-making, the department is in discussions with stakeholders about adding language to the rules to explain the circumstances and time periods under which suspension of rules due to COVID is necessary. The department previously filed the CR-101 under WSR 20-24-092 and is continuing the process of permanent rule-making. In addition, under the rule development phase of rule-making, the department is in discussions with stakeholders about adding language to the rules to explain the circumstances and time periods under which suspension of rules due to COVID is necessary. In the meantime, the department is extending the emergency rule under RCW 34.05.350

Citation of rules affected by this order:

- New: None
- Repealed: None
- Amended: WAC 388-101-3130
- Suspended: None

Statutory authority for adoption: RCWs 71A.12.030 and 71A.12.080

Other authority:

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The threat of COVID-19 to our most vulnerable populations is significant, especially for those receiving long-term care services in their homes and congregate settings, such as CCRSS settings. Current CCRSS rules ensure the department may conduct on-site certification evaluations of each CCRSS service provider at any time, but at least every two years. Due to the suspension of certification evaluations, as proclaimed for all other long-term care settings related to the COVID-19 pandemic, the amendment will allow for additional time to complete the certification evaluations when the pandemic subsides.
