**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Enacting these rules on an emergency basis is necessary for preserving the health, safety, and general welfare of clients receiving emergency transitional support services at Rainier School. Clients currently receiving these services were originally admitted to Rainier School in response to the COVID-19 public health emergency. With the declared state of emergency ending, these rules are intended to inform clients about the service they are receiving and the future of that service.
