EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- ☐ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☒ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Emergency rulemaking is justified because of the federal deadline imposed. The department is concurrently proceeding with the permanent rule making process.
