Purpose: The department is amending WAC 388-71-0105 "What definitions apply to adult protective services?" to strike the term "willful" from the definitions list as a result of an order by the Division III Court of Appeals in Crosswhite v DSHS invalidating the current definition of "willful". Striking the current WAC definition of "willful" is necessary because it is interpreted by the Crosswhite court as being in conflict with Washington State statute.
