WAC 388-480-0001 Does being on strike impact my eligibility for the Washington Basic Food program? (1) A strike is a work stoppage, slowdown or other interruption of work caused by employees. This includes when a stoppage happens because a collective bargaining agreement has expired.

(2) We do not consider you to be on strike if you:

(a) Are locked out by your employer;

(b) Do not have work available as a result of striking employees;

(c) Are not a member of the bargaining unit on strike and you fear someone may physically hurt you if you cross a picket line; or

(d) Would have been exempt from work registration under WAC ((388-444-0015)) 388-444-0010 the day before the strike for any reason other than being employed at least thirty hours per week.

(3) If a person in your assistance unit (AU) is a striker, your AU is not eligible for Basic Food unless:

(a) Your AU met all income requirements the day before the strike; and

(b) You meet all other requirements of the Basic Food program as described in WAC 388-400-0040.

(4) If someone in your AU is on strike, your AU cannot receive a higher amount of Basic Food benefits solely because the person receives less income as a direct result of being on strike. We count the larger of the two following amounts to determine if your AU is eligible and calculate your benefits:

(a) The striker's income before they went on strike; or

(b) The striker's current income.
