Purpose: The Department is adopting amendments to the following WAC sections: 388-474-0012, "What is the state supplemental payment and who can get it?" and 388-478-0055, "How much do I get from my state supplemental payments (SSP)?" These amendments provide clarity regarding the State Supplemental Payment (SSP) standard rate for individuals receiving care in a medical institution or residential setting. The SSP rate is based off the Washington state institutional personal needs allowance standard which increased on July 1, 2023, due to the passage of House Bill 1128 (Chapter 201, Laws of 2023). These amendments are currently in effect via emergency rules under WSR 23-22-015.

AMENDATORY SECTION (Amending WSR 20-23-053, filed 11/13/20, effective 1/1/21)

WAC 388-478-0055 How much do I get from my state supplemental payments (SSP)? (1) The SSP is a (~~payment from the state~~) state-funded cash assistance program issued to certain individuals who the Social Security Administration (SSA) determines are eligible for supplemental security income (SSI) (eligible people) as described in WAC 388-474-0012.

(2) (~~If you converted to the federal SSI program from state assistance in January 1974 because you were aged, blind, or disabled, and have remained continuously eligible for SSI since January 1974, the department calls you a grandfathered client. Social Security calls you a minimum income level (MIL) client.~~

~~A change in living situation, cost-of-living adjustment (COLA), or federal benefit rate (FBR) can affect a grandfathered MIL client. A grandfathered MIL client gets a federal SSI payment and a SSP payment, which totals the higher of one of the following:~~

~~(a) The state assistance standard set in December 1973, unless you lived in a medical institution at the time of conversion, plus the federal COLA since then; or~~

~~(b) The current payment standard.~~

~~(3) The monthly) Monthly SSP rate standards for eligible persons ((under)) as described in WAC 388-474-0012 ((and individuals residing in an institution)) are:~~

((SSP eligible persons	Standard
Individual (aged 65 and older)	\$38.25
Individual (blind as determined by SSA)	\$38.25
Individual with an ineligible spouse	\$38.25
Grandfathered (MIL)	Varies by individual based on federal requirements. Payments range between \$0.54 and \$199.77.)

((Medical institution Individual Monthly SSP Rate \$40.00))

- (a) \$38.25 for:
 - (i) Individuals with an ineligible spouse;
 - (ii) Aged 65 and older;
 - (iii) Blind as determined by SSA; or
 - (iv) Disabled as determined by SSA.

(b) Between \$0.54 and \$199.77 for grandfathered clients as defined in 388-474-0001 and varies by individual based on federal requirements.

(c) \$70.00 for individuals residing in a medical institution. It is based on increasing the federal SSI personal needs allowance (PNA) of \$30.00 up to the current Washington state institutional PNA standard described in subsection (5) of WAC 182-513-1105. The current state PNA standard for institutional apple health is located at <https://www.hca.wa.gov/free-or-low-cost-health-care/i-help-others-apply-and-access-apple-health/program-standard-income-and-resources>.

(3) A change in living situation, cost-of-living adjustment (COLA), or federal benefit rate (FBR) can affect a grandfathered client. A grandfathered client gets a federal SSI payment and a SSP payment, which totals the higher of one of the following:

- (a) The state assistance standard set in December 1973, unless you lived in a medical institution at the time of conversion, plus the federal COLA since then; or
- (b) The current payment standard.

(4) ((We may adjust the)) SSP rate standards may be adjusted at the end of the calendar year to comply with WAC 388-478-0057.

((5) The medical institution SSP rate is based on increasing the federal SSI personal needs allowance (PNA) up to the current Washington state institutional PNA standard described in WAC 182-513-1105. The state rate may be adjusted by the percentage of the cost-of-living adjustment (COLA) for old-age, survivors and disability social security recipients as published by the federal social security administration. This adjustment is subject to state legislative funding. The current PNA rule used in institutional apple health is located at <https://www.heca.wa.gov/health-care-services-supports/program-standard-income-and-resources>.)
