- 31 days after filing.
- Other (specify) January 1, 2024 (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes
 - No
- If Yes, explain:

Purpose: This repeal of this rule is necessary because the training course required in the rule no longer meets the intended purpose. The subject matter of this training is covered in adult family home administrator training, which is required for adult family home (AFH) license applicants who have not already completed it. Currently, AFH license applicants must provide evidence of the orientation course with their license application. Timely registration and completion of the course has been a barrier to prospective AFH applicants, who must take the course at a local community college. Repealing this rule will enable applicants to submit their AFH license application sooner. This will decrease the amount of time it takes from the initiation of an application to submission. It will also reduce duplication of training content.
